

PROJECT PHILIPPINES

Recruiting motivated professionals from the Philippines
for long-term opportunities and full-time work in the EU

ABOUT OUR PROJECT

- We connect European companies with motivated and qualified professionals from the Philippines.
- We support employers throughout the recruitment process – from defining candidate requirements and selecting suitable workers to documentation, relocation and onboarding.
- Our goal is to provide companies with reliable, skilled and long-term employees across a wide range of industries.

PROFESSIONALS WE CAN RECRUIT

Skilled Filipino professionals for companies across Europe.

WE CAN RECRUIT FOR POSITIONS SUCH AS:

Welders & Metalworkers

Construction Workers

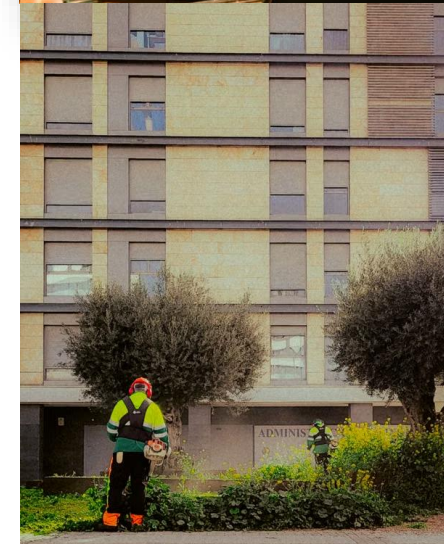

Production & Assembly Workers

Electricians & Maintenance Staff

Warehouse & Logistics Workers

Gardeners & General Manual Workers

WHY FILIPINO CANDIDATES?

GOOD ENGLISH COMMUNICATION

English is widely used in the Philippines, making communication in international working environments easier.

WIDE RANGE OF SKILLS

Candidates are available across construction, manufacturing, welding, maintenance, logistics, hospitality and other skilled or manual roles.

INTERNATIONAL WORK EXPERIENCE

Many Filipino professionals are familiar with working abroad and adapting to multicultural teams.

LONG-TERM COMMITMENT

Filipino workers are commonly recruited for stable, long-term employment opportunities in Europe.

VERIFIED SKILLS & EXPERIENCE

Candidates can be selected, interviewed and practically tested according to the employer's specific requirements.
